

kernelMain

```
graph LR; A[kernelMain] --> B[hardware_communication::InterruptManager::printLoadedTableHeader];
```

The diagram illustrates a function call. On the left, a white rectangular box with a black border contains the text 'kernelMain'. A blue arrow points from the right side of this box to a larger, gray rectangular box on the right. This gray box contains the text 'hardware_communication::InterruptManager::printLoadedTableHeader'.

hardware_communication
::InterruptManager::printLoaded
TableHeader
